

27 July 67

The Director

GW Allen

Transmittal of Memorandum to
Secretary McNamara

This is the finished paper, under George Carver's signature, resulting from Secretary McNamara's query on their recent trip. It spells out the various programs through which the infrastructure is being attacked, even down at the hamlet level. The Secretary had gotten the impression that the hamlet level was not being covered.

George thought you might want to look at it before it was sent.

GEORGE W. ALLEN
